

Tenth AIMS International Conference on Dynamical Systems and Differential Equations

will be hosted by

The Instituto de Ciencias Matemáticas (ICMAT) and the
Universidad Autónoma de Madrid (UAM)

Madrid, Spain

July 7-11, 2014

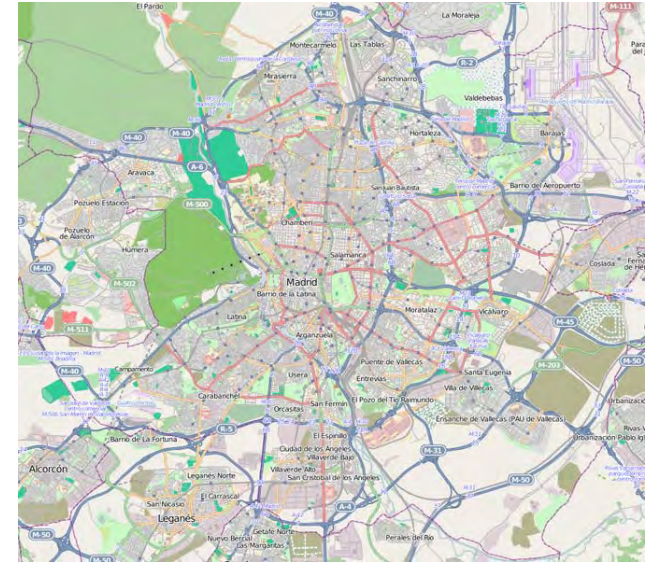

- Where is Madrid?

Madrid international airport

Madrid-Barajas Airport is the international airport of Madrid. In 2011, over 50 million passengers used Madrid-Barajas, making it the country's largest and busiest airport. Located within the city limits of Madrid, just 9 km (5.6 mi) from the city's financial district and 13 km (8.1 mi) northeast of the Puerta del Sol, Madrid's historic centre.

Madrid is the capital and largest city of Spain. It has about 3.3 million inhabitants. While Madrid possesses a modern infrastructure, it has preserved the look and feel of many of its historic neighbourhoods and streets. Its landmarks include the Royal Palace; the Teatro Real; the Buen Retiro park, the National Library building, and the Golden Triangle of Art, located along the Paseo del Prado and comprising three art museums: Prado Museum, the Museo Nacional Centro de Arte Reina Sofía, and the Thyssen-Bornemisza Museum.

Opening ceremony

- The **Palacio de Congresos** de Madrid is located in the heart of the city, close to the best restaurants and shopping centres, near "Nuevos Ministerios" metro station and in front of Real Madrid stadium, the Santiago Bernabeu.

- Main Room of Palacio de Congresos de Madrid, with multi-purpose features allowing the celebration of meetings and conferences, presentations, shows, or awards ceremonies. Capacity: 1909 delegates

UNIVERSIDAD AUTÓNOMA DE MADRID

- The Autonomous University of Madrid (UAM) is one of the top universities of Spain. UAM is a Spanish Public University established in 1968. The university's main campus has been located in Cantoblanco, a rural area in the northern outskirts of Madrid.
- The UAM campus is a nice place in the north of Madrid about 15km from the town center and 10km from the airport with different faculties and research institutes. Usually, 40.000 people study or work in this campus. We easily arrive to the campus by train and bus.
- In the center of the campus there is a big meeting building Plaza Mayor where the participants will find restaurants, pharmacy, medical service, banks, and other social services.

Campus de la Universidad Autónoma de Madrid

Campus de Cantoblanco
Ctra. Colmenar Viejo, km. 15 - 28049 MADRID

The scientific activities will take place in:

- Instituto de Ciencias Matemáticas, ICMAT (n. 41 in map)
- Faculty of Sciences, Ciencias (n. 5 in map)
- Faculty of Biology, Biología (n.8 in map)
- Polytechnical School, EPS (n. 6 in map)

| 14. Pabellón de Servicios Universitarios | 29. Ingeniería Química y Tecnología de Alimentos (Facultad de Ciencias) | |
| 15. Polideportivo | | |

Instituto de Ciencias Matemáticas, ICMAT (41)

The ICMAT is a joint research institute of the Consejo Superior de Investigaciones Científicas and three Madrid universities: the Universidad Autónoma de Madrid, Universidad Carlos III de Madrid, and the Universidad Complutense de Madrid, to develop mathematical research of the highest quality. The building of ICMAT boasts six conference theatres (hosting up to 30, 30, 50, 80, 80 or 130 people), and an auditorium with a capacity for 270 people. They are all equipped with blackboards, screens, overhead projectors, beamer and internet access, and multimedia equipment that allows for the recording of the lectures in the auditorium.

Faculty of Sciences, Ciencias (5)

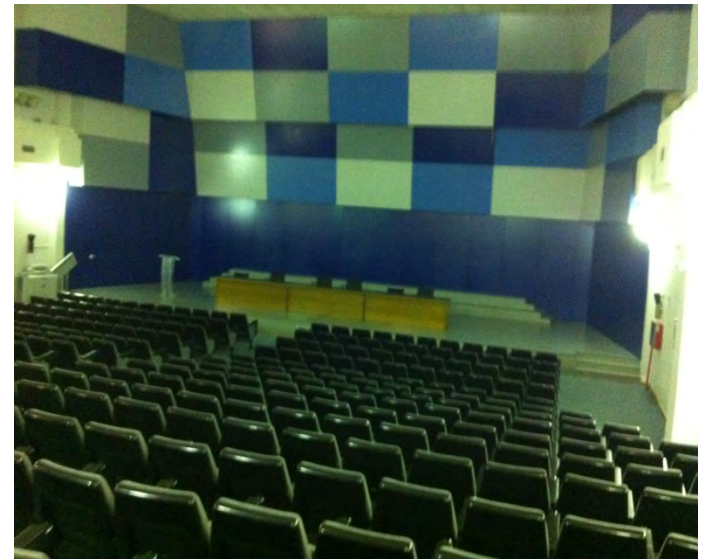

In the building of Sciences, we will use a conference theatre with a capacity for 135 people and eight classrooms (hosting up to 82, 104, 104, 82, 97, 106, 140, 57 people). These classrooms are all equipped with blackboards, screens, overhead projectors, beamer and internet access.

Faculty of Biology (8)

In the building of Biology, we will use an auditorium with a capacity for 420 people and six classrooms equipped with blackboards, screens, overhead projectors, beamer and internet access.

Polytechnical School, EPS (6)

In the building of EPS, we will use an auditorium with a capacity for 550 people and ten classrooms equipped with blackboards, screens, overhead projectors, beamer and internet access.
