

## Dr. Zhang Pingwen

Wuhan University  
China

Pingwen Zhang received his Bachelor's degree and Ph.D. degree in Mathematics from Peking University. His research focuses on computational mathematics, modeling and simulation of soft matter, applied analysis and numerical analysis, and big data analysis and applications.

He is presently President and Hongyi Chair Professor of Wuhan University, and Boya Chair Professor of Peking University. He is an Academician of Chinese Academy of Sciences, and fellow of The World Academy of Sciences (TWAS) for the advancement of science in developing countries and Society for Industrial and Applied Mathematics (SIAM). He was an invited speaker at the 7th International Congress of Industrial and Applied Mathematics in 2011, the Annual Meeting of the Society for Industrial and Applied Mathematics in 2014, and the International Congress of Mathematicians in 2018. He won the Feng Kang Prize of Scientific Computing in 1999. Currently, He serves as President of China Society for Industry and Applied Mathematics (CSIAM), and the editor-in-chief of *CSIAM Transactions on Applied Mathematics*.
