

December 14, 2024

Dear Conference Participant,

The wait is over! On behalf of the Organizing Committee, it is my great pleasure to welcome you to the 14th AIMS Conference, hosted in the vibrant city of Abu Dhabi.

With a rich program featuring plenary talks by distinguished speakers, thematic and special sessions, contributed presentations, and opportunities for informal discussions, this year's conference promises to be an exceptional forum of science and mathematics. I am confident that you will find there the unique opportunity to create new connections and foster collaborations that will last well beyond the conference.

Here is some last-minute practical information that you may find useful:

- **Conference Venue:** The conference will take place at the ADNEC Centre Abu Dhabi, a modern facility conveniently located in Abu Dhabi. Detailed information on the venue is available [here](#). A map of the conference site is enclosed to this letter for your convenience.
- **Registration:** Registration and badge collection will begin on Monday, December 16th, at 7:00 am. The conference site will open early with the registration counter located near Conference Halls A and B (see the location on the enclosed map). More information is available [here](#).
- **Program Search Feature:** This year, we are excited to offer a new program search feature accessible [here](#). This search tool will allow you to create your own personalized conference schedule, matching your scientific interests, by conveniently searching the program by abstract title, speaker, timing, room, etc.
- **Presentation Guidelines:** Information concerning the available equipment in our conference rooms is available [here](#). Be sure to review it in preparation for your presentation to ensure a smooth and comfortable experience.
- **Banquet Information:** Tickets for the banquet dinner on Wednesday evening are still available, but seats are limited. Don't miss this unique opportunity to share a community dinner experience in a stunning setting. More information is available [here](#).

- **Weather:** This time of year, Abu Dhabi enjoys very pleasant weather. Expect daytime highs around 26°C (79°F) and nighttime lows near 16°C (61°F). Be sure to pack accordingly to make the most of your stay.
- **More Information and Updates:** Make sure to keep an eye on the [main conference webpage](#), which is regularly updated with useful information.

In addition to the academic program, we encourage you to take advantage of the cultural and recreational opportunities that Abu Dhabi has to offer. From the Sheikh Zayed Grand Mosque to its renowned multicultural society, the city provides a memorable backdrop for both intellectual and personal enrichment. You will find more information about Abu Dhabi [here](#).

For those who are on their journey to come to Abu Dhabi, I wish you safe travels. Should you have any questions or require assistance during your stay, please do not hesitate to reach out to our team.

We look forward to an inspiring and rewarding conference and to the opportunity to engage with each of you. Thank you for joining us in Abu Dhabi to advance the frontiers of mathematical knowledge together.

Warm regards,

Diogo Arsénio
